

TIME CHANGE

AVAYA PARTNER or LEGEND / MERLIN

It's that time again when the clocks get turned forward 1 hour. Here is an easy way to change the time on your Partner or Legend/Magix System.

Partner System:

- To change the time on your Partner Phone System all you need to do is make sure you are at extension #10 or #11 (must have display)
- Then Press Feature 00
- Next press the LEFT hand intercom button two (2) times
- Next press #101
- Enter new Date
- After entering new date Press #103 and then enter the new time (in 24 hour format)
- Once you have made the changes Press Feature 00 to get out of programming

Legend/Magix System:

- To change the time on your Legend/Magix Phone System all you need to do is make sure you are at a main console (Legend MLX 20L or Magix 4424LD+)
- Then press System Program
- Next press Start on Magix, Exit on Legend
- Next press System
- Then choose Time/Date
- Enter the new time
- Next press Enter
- Once you have made the changes press Exit to get out of system programming and the phone will return to normal operation
